

Wedding Packages

The Essentials

£645

Up To 4 Hours covering your days main events! Starting just before the ceremony, capturing guests arrival, your ceremony and afterwards for group photos and the all important Bride & Groom shots.

Digital images supplied via download at high resolution print quality.

Full Day & USB

£1245

A favourite with our couples, this option has two photographers covering your whole day, starting with the all important bridal preparations through to your first dance and beyond!

We also include an engagement shoot, prior to your day, to grab some beautiful, informal shots and give you a feel of how it'll be being photographed by us.

Images supplied at high resolution on USB and via download

Full Day, USB & Album

£1945

Along with everything included in our Full Day service, our Album package also includes a stunning storybook style album. Our albums are designed using your favourite images, by our Craftsman awarded album designer, to create a complete story of your day. A truly spectacular way to display your Wedding and an album to treasure forever.

Our selection of sample albums are available for you to view in studio.
